

# King 8" Low Speed Bench Grinder with Light Model KC-895LS

## Features:

- Powerful 1/2HP, 1750 RPM motor
- Ideal for sharpening applications as the low speed feature reduces heat buildup
- Adjustable shatter resistant plastic eye shields, one regular and one magnifying eye shield
- Cast iron base with rubber feet to reduce vibrations
- Comes complete with diamond wheel dressing tool, tool rests, eye shields, coarse 60 grit and fine 120 grit 8" x 1" white aluminum oxide grinding wheels
